

Michael J. Gibson
General Manager

December 18, 2013

Dear Joel,

Thank you for providing the attendees at our recent dinner event with such a thought-provoking, entertaining, sobering-but-humorous look at the great game of golf. The comments I received from members and out-of-town guests afterwards were uniformly positive.

As you know, this was the second time Old Marsh played host to the Dye Cup, which was also contested here in 2007. This unique event gathers teams from Pete Dye-designed golf courses from around the nation, and overseas. With this diverse crowd of competitors, and with the added bonus of having the Dye Family in attendance, we wanted to add something extra special to this year's program. I am very glad we arranged for you to address the crowd during dinner. Your Power Point presentation was excellent, and you had the rapt attention of everyone in the room—pros, amateurs, locals, and those who flew in from all corners. Even Pete Dye himself remarked how much he enjoyed the presentation—high praise indeed!

Many Thanks again, it was a pleasure having you to Old Marsh.

Sincerely,

Michael J. Gibson, CCM
COO/General Manager
